

Our Mission:

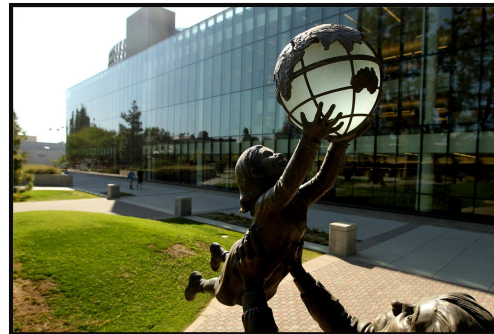

To provide parents and family members of Fresno State students with the opportunity to become an active part of the university community by direct involvement in events, forums and activities designed to enhance the success and growth of our students.

In carrying out this mission, the Parents Association:

- Provides information to parents about the university through email, social media and at various outreach and orientation events;
- Advises university administration of parent needs and concerns;
- Raises funds that promote the advancement of services to students.

Membership Benefits:

- Stay informed through our Facebook page, a parent-oriented online newsletter, and emails notifying you of important announcements.
- Invitations to association-sponsored events and programs.
- A direct connection to the university through the Parents Hotline; available during business hours to answer questions or provide needed assistance.
- Opportunities to become involved in planning groups and the Parents Association Advisory Board.
- The satisfaction of knowing that you actively support programs and services which directly benefit Fresno State students!
