

Making Education a Family Experience

Why join the Parents Association at California State University, Fresno?

We believe that education can truly be a “family experience.” We recognize that family involvement plays a key role in the success of our students. As a parent, guardian, or family member of a Fresno State student, you can take an active role in helping us provide the best education possible!

Membership in the Parents Association will make it easy and convenient to stay involved and keep in touch with what’s going on at the University. As a member of the Parents Association, you will be:

- Informed about challenging issues and new opportunities available to your student;
- Invited to participate in many exciting activities and events throughout the year;
- Part of a “spirited” organization that is committed to the success of our students and has a strong voice in helping to shape the direction of the university.

Simply fill out the attached Membership Information Form and return it with your \$20 lifetime membership fee!
