# *Greg Varela*

Our Beacon Award winner for 2007-08 is Greg Varela. Greg is an office manager in the University Scholarships office. Greg's recognition was a result of his leadership in redesigning the on-line scholarship application process in response to recent audit recommendations. He was also cited for his creation of a tutorial for campus scholarship selection committees. Greg was also instrumental in the development of an electronic procedure to identify student athletes in a scholarship database that will help avoid these student athletes from being penalized by being overawarded. Greg's diligence and commitment to his job was exemplified by his work on a weekend night to restore over 2500 scholarship files that were lost due to a computer error. Greg was also praised for his strong technology skills. He is recognized by his peers as a gifted and versatile staff member - and is a worthy recipient of our Beacon Award.
