

# WELCOME TO CALIFORNIA STATE UNIVERSITY, FRESNO

**Bulldog B.A.R.K.** is your guide to Building Academic Resources & Know-how. This guide is designed to present you with information about General Education (G.E.) and degree requirements as well as answer some of the most frequently asked questions that new freshmen have. In addition to this, we hope to provide you with all of the essential tidbits of information that will serve you well throughout your time here with us. By the time you read through **Bulldog B.A.R.K.**, we are confident that you will have a more thorough understanding of university terms, structure, policies, procedures, and requirements.

Please feel free to contact Academic Enhancement Services at (559) 278-1787. We are located in the Joyal Administration Building, Room 224. If you have questions about G.E., degree requirements or general academic matters, call and make an appointment—we're here for you!

We are pleased that you have chosen our campus. We look forward to working with you and helping you achieve your goals throughout your academic career at Fresno State.

Best wishes!

Maxine McDonald  
Executive Director  
Academic Enhancement Services

Visit us at <http://studentaffairs.csufresno.edu/>

If you have questions or need academic assistance during the first week of classes, Academic Enhancement Services will have staff available to help you in two campus locations:

- Joyal Administration Building, Room 224  
and
- The Red Booth

Look for the Red Booth in the Free Speech Area at the center of campus near the fountain.
