

Mathematics

Dear Community College and High School Educators and Students

You are cordially invited to attend

Counselors & Students Information Forum 2016

Department of Mathematics

California State University, Fresno

on

Friday - November 18, 2016

8:30 am - 2:00 pm

Kremen Education Bldg. - Room 172

As part of this forum, you will be attending the Department of Mathematics Day celebrations and informational sessions regarding admission, placement exams, and coursework and career options for mathematics majors. In addition, you will receive information regarding scholarships and employment opportunities for mathematics majors at Fresno State. This is a free event. Refreshments and lunch provided.

Kindly RSVP by Friday, November 4, 2016, by completing the registration form at:

<http://fresnostate.edu/advisorsforum>

Questions and inquires may be directed to Dr. Carmen Caprau (ccaprau@csufresno.edu or 559.278.4996)
