- GRADUATION DATE:** The Spring 2018 graduation date is May 19, 2018. *All course requirements must be completed by May 19, 2018.* Students cannot graduate if incomplete grades for any term remain on the record as of May 20, 2018. Students completing concurrent coursework toward the degree at another institution must have that coursework completed by May 19, 2018. ***NO additions, deletions, or changes are permitted to a student's record after the degree has been recorded.***
- DOCUMENT DEADLINE:** All substitution memos, petitions, waivers, transcripts from other institutions, etc., must be received by the **June 15, 2018** document deadline. Applicants whose documents are received after this date will need to refile for graduation for a subsequent term.
- TRANSCRIPTS FROM OTHER INSTITUTIONS:** Campus Policy requires a student to submit official transcripts from all colleges they have attended. All coursework must be completed by the graduation date and all official transcripts must be received by the document deadline. We strongly recommend you review a copy of your university transcript to be sure all courses, grades, and units are accurately recorded. ***NO additions, deletions, or changes are permitted to a student's record after the degree has been recorded.***
- INCOMPLETE GRADES:** All incomplete grades must be cleared before a degree can be awarded. Even though a course may not be needed for your degree, the incomplete must be made up or changed to an "IC" before your degree can be awarded. To qualify for spring graduation, final grades must be received by **June 15, 2018**.
- DEGREE CLEARANCE:** We will do a final review of all applications for Spring 2018 graduation in June 2018 and notify candidates of any remaining deficiencies, via Fresno State e-mail address. If you are denied graduation, you **MUST REFILE** for graduation during the next appropriate filing period.
- DIPLOMA AND TRANSCRIPT:** Primary and secondary majors are printed on one diploma. Students concurrently completing one B.A. and one B.S. degree will receive one diploma for each degree. Completion of a minor is not indicated on the diploma, but does appear on the official transcript. Your diploma will be mailed to the Diploma Address in your Student Center approximately 3 months after Spring 2018 graduation. Transcripts with your degree awarded will be available at the end of June 2018. Degrees will not be posted nor diplomas ordered for students with financial holds.
- POST-BACCALAUREATE CREDIT:** Upper division courses completed at the university during the term in which the Bachelor's Degree is granted will automatically be indicated on the student's academic record as Post-Baccalaureate Credit provided they are not needed for the degree, are not CBE units, the student is in good academic standing at the beginning of the Spring semester, and the student earned a "C" grade or better. Students do not need to request Post-baccalaureate credit.
