Budget and Finance Committee

November 5th, 2012

- I. Goals of the Committee
 - A. Understand the USU student fee and how the funds are used to support students.
 - B. Reference the Budget Values and Principles for the USU Board in all matters regarding the budget.
 - C. Overlook programs receiving funds from the USU to see how they are being implemented in their respected programs.

- II. Projects
 - A. Prezi Project: Committee has begun working on a Prezi meant to help current as well as future members of the Budget and Finance Committee as well as the board as a whole learn about the budget in a fashion that is easy to understand and can facilitate learning of the budget so the focus their efforts on potential projects. Deadline for completion of this project has been set for November 12th and can be presented during the next official board meeting for feedback.

 - B. Student Fee Visual Project: Ms. Kelli Walker has come up with a new idea on how to communicate to students how their student fee dollars are used. Instead of using a check as has been done the last two years, as a committee we have decided to use a phone type representation to better help visualize how student fee dollars are spent and help better promote transparency between students and the school. Ms. Walker can discuss further details regarding the project.

- III. Updates

Further discussed proposed patio renovation. Began trying to prioritize as a committee which aspects of the plan will make sense with our budget.
