California State University, Fresno Association Inc.
Campus Involvement Ambassadors Report
May 6, 2013

Year Totals

- 1) *Presentations ::*
 - a. Completed over 30 'Get Involved!' presentations to classes, interested current students, and incoming students at Preview Days.
 - b. Created three separate Prezi presentations: 1) Focused on how to get current students involved, 2) Focused on showcasing involvement opportunities to incoming students, and 3) Specifically focused on recruiting students for Student Involvement leadership boards
- 2) *Involvement Advising Appointments ::*
 - a. Over 60 forms submitted; approximately 35 advising sessions
 - b. Lack of forms to appointments seems to be due to 'forced completion' – students in class presentations felt as if they had to complete and submit form, but had no intention of making a meeting (will be addressed during class presentations in the coming year)

Improvements for next year

- 1) Request to meet with all University 1 faculty prior to the semester beginning in order to have the involvement presentation an approved part of the course curriculum
- 2) Develop request form for involvement presentations to collect necessary information and determine which presentation and CIAs would best suit the need
- 3) Add schedule information to the advising involvement form to make appointment scheduling more efficient
- 4) Contact club/organization presidents to ensure club/organization is categorized correctly, and confirm that contact information can be provided to interested students; determine how to provide meeting day/time information to interested students
