INFORMATION ABOUT SOCIAL SECURITY FORM SSA-1945
STATEMENT CONCERNING YOUR EMPLOYMENT IN A JOB NOT COVERED BY SOCIAL SECURITY

LEGAL REQUIREMENT
The Social Security Protection Act of 2004 (SSPA), Public Law 108-203, requires State, including the California State University (CSU), and local government employers to provide a statement to employees hired January 1, 2005, or later, in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

CSU FORM SSA-1945, Statement Concerning Your Employment in a Job Not Covered by Social Security, is the document campuses should use to meet the requirements of the law. CSU FORM SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker’s Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse or an ex-spouse.

In accordance with the Social Security Protection Act of 2004, employers must:

• Give the statement to the employee prior to the start of employment;
• Obtain the employee’s signature on the form; and
• Submit a copy of the signed form to the pension-paying agency, if appropriate.

Social Security will not be setting any additional guidelines concerning the use of this form.

WHO MUST SIGN THE FORM
All new hires who fall into the following categories must complete the form:

• Public Safety employees who participate in the CalPERS public safety retirement plan and do not pay Social Security taxes;
• Student employees who are exempt from paying social security taxes, including those who do not contribute to a retirement system;
• Employees who are exempt from paying social security taxes due to non-resident alien tax status; or
• Part-time, seasonal and temporary employees who participate in a defined contribution plan in lieu of Social Security (DPA PST Retirement Plan and the UCDC plan) authorized by the Omnibus Budget and Reconciliation Act (OBRA).

FORM COMPLETION DEADLINE
Employees in above categories must receive, complete and sign the form prior to the start of employment. Please note: an employee must complete the form each time he or she is newly hired or rehired in a new appointment in one of the above categories.

CAMPUS  DEPARTMENT

Please be advised that your earnings from this position are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this position. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension benefit may affect the amount of the Social Security Benefit you receive. Your Medicare benefits, however, will not be affected.

Under the Social Security law, there are two (2) ways your Social Security benefit amount may be affected:

1. Windfall Elimination Provision
Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job.

For example, if you are age 62 in 2005, the maximum monthly reduction in your Social Security benefit as a result of this provision is $313.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit.

2. Government Pension Offset Provision
Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State, or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds (2/3) of the amount of your pension.

For example, if you get a monthly pension of $600 based on earnings that are not covered under Social Security, two-thirds of that amount, $400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a $500 widow(er) benefit, you will receive $100 per month from Social Security ($500-$400 = $100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. ☐
