Guidelines for the Certificate of Advanced Study (CAS)

This information is provided to assist you and your program coordinator in the completion of the attached *Proposed Program for the Certificate of Advanced Study*.  It will be necessary to make an appointment with your program coordinator, and, if needed, obtain a copy of your California State University, Fresno transcript from the University Records Office to refer to when filling out the attached form. Each program of study must include approved coursework. Type or print (in ink) a list of your certificate program coursework (courses already taken and those anticipated) in chronological order, beginning with the earliest course taken. Return the form to the Division of Graduate Studies office, Frank W. Thomas Building, room 132, immediately following completion of your first semester/term of coursework. You will receive a written response of approval or denial from one of the Degree Specialists in the Division of Graduate Studies within six to eight weeks after submission of the proposed program.
