Overview
This user's guide provides student employees step-by-step instruction on how to use my.fresnostate.edu to enter time worked. You should enter time each day that you work. Your supervisor will monitor your time throughout the pay period and must be able to see the hours as you accumulate them. (Do not enter time on Fresno State holidays unless your supervisor has given you approval). Check with your supervisor for special instructions on time entry for your department.

Pay periods overlap a new month (A day from the previous month may be on the next pay period). View the appropriate Pay Period Calendar on the Calendars page on the Payroll Website for additional information (http://www.fresnostate.edu/adminserv/hr/payroll/news/calendars.html).
