

# 2019-2020 Title IX Annual Report

## California State University, Fresno

Executive Order 1095 requires California State Universities to publish reports on incidents annually on October 1st, for the prior fiscal year (July 1 to June 30), without disclosing any information that would reveal the identities of the parties involved. This report attempts to summarize the activity occurring in response to reports of Sexual Misconduct, Dating and Domestic Violence, and Stalking, received by the Title IX Office at Fresno State during the 2019-2020 fiscal year.

The report focuses exclusively on the campus response to reports of specific instances of potential Title IX violations and does not include reports of sexual harassment or other discrimination based on sex or gender. Clery statistics in the University's Annual Security and Fire Safety Report are reported for the 2019 calendar year as required by federal law. Reports to the Title IX Coordinator may be related to incidents which did not take place on Clery defined geography, therefore the statistics in this report may not coincide with Clery statistics in the Annual Security Report.
