Dance Major

The dance major involves students in creative inquiry, embodied, inventive collaboration, and skillful expression of ideas in order to prepare them for lives of leadership, service, and excellence in the arts, culture, and business of the future. Each student in the dance major explores performance, training, design, technology, and research in a multifaceted liberal arts context in order to develop individual identities as artists and the abilities to work collaboratively in a diverse workplace. The degree provides an excellent broad-based foundation for work in the arts or entertainment professions or for further training at graduate schools or conservatories. The program’s liberal arts emphasis prepares graduates for a variety of occupations in multiple performance fields, as well as non-performance fields.
