The Viticulture and Enology Associate Campaign is an annual fundraising effort for the Department of Viticulture and Enology and the Viticulture and Enology Research Center, overseen by the Department Chair and Research Director. Contributions, large and small, help fill the gap that exists between the funding that the state of California is able to provide and the quality of instruction and research our industry has grown to expect. Our faculty, staff and students appreciate your annual support of this much needed campaign.

Funds will be used to support academic and research needs. Thank you.
