MATH EXEMPTION REQUEST

California State University, Fresno has received results from California Assessment of Student Performance and Progress (CAASPP), SAT or ACT test score for Math. The results have placed the student as “*Conditional Exempt*”.

In order to clear the “*Conditional Exempt*” status the student must have completed a one-year course in Math and earned a grade of “C” or better *during the student’s senior year*.

Part I: To be completed by student Conditional status is based on:

ACT Score 20 - 22
SAT Score 520 - 560
CAASPP Score 3 – Standard Met
GPA

Senior Year Experience (SYE) Course Completed: All courses with a prerequisite of Algebra II or Integrated Math III

Trigonometry
Math Analysis
Pre-Calculus, Calculus, or AP Calculus
AP Physics
AP Statistics or Statistics
Advanced Mathematics

Students **not** completing the senior year experience (SYE) Math requirement **may be required** to take a supported General Education Math course. Additional major requirements will be covered during Dog Days Orientation.

Note: It is important you submit this form as soon as possible and before your Dog Days session to avoid any delays with your fall 2020 class registration.

I authorize release of my grades received in your class to California State University, Fresno.
