APPEAL PROCESS NOTES

- This appeal is to request an exception to the Satisfactory Academic Progress (SAP) policy. An appeal is considered if you demonstrate that the lack of your academic progress was the result of circumstances that were unforeseeable and beyond your control. Appeals are reviewed by Financial Aid Appeal Committee. Incomplete appeals will not be processed. Decisions are sent via campus email. You are responsible for paying fees by the fee payment deadline to prevent being dropped, since your financial aid is on hold. If your appeal is approved, it will be for only one term, per federal regulations. At the end of this term, you must regain and meet all SAP requirements to continue to receive financial aid funding, or have been placed on a SAP plan by the Financial Aid Office.

## HOW SATISFACTORY ACADEMIC PROGRESS IS CALCULATED

At the end of each term, the Financial Aid Office is required to review all of your reported units and grades to determine whether you are meeting the terms of SAP and remain eligible to receive financial aid the next term.

There are three major components of SAP that must be reviewed; GPA, pace and maximum unit limit for your program.

To successfully meet the SAP GPA component, a cumulative GPA is used for Undergraduate students to determine continued financial aid eligibility. Both term and cumulative GPA's are used for Post-Baccalaureate students.

Academic Career	Minimum GPA
Undergraduate	2.0
Credential / 2 <sup>nd</sup> BA	2.5
Graduate/Doctorate	3.0

To successfully meet the SAP pace component undergraduates must complete 70% of all attempted units. Post-Baccalaureates must complete 80% of all attempted units. Grades of A, B, C, D or CR are counted toward earned units; grades of F, I, NC, W, WU, RD, RP or AU will count toward attempted units, but not earned units. Pace is calculated by taking your CSU Fresno earned units and dividing them by your CSU Fresno attempted units. Attempted units include grade substitutions and courses with grades of F, NC, I, W, RD, RP, WU or AU. Therefore, the total units earned and units attempted may not match the units reported on your transcripts.

To successfully meet the maximum unit limit for your degree/program, undergraduates and post-baccalaureates must complete their program within **150%** of the published required units attempted for their program.

### Incomplete/Grade Corrections

If you have failed SAP because of an incorrect and/or an incomplete grade(s), you must wait until the grade(s) have been updated by the Records Office. Once updated, notify the Financial Aid Office and complete a Satisfactory Academic Progress (SAP) Revision form #86. Your SAP status will be re-evaluated at that time.

### Re-establishing Financial Aid Eligibility

If your appeal is denied or if you were not eligible to file an appeal, you may reinstate your financial aid eligibility by successfully completing sufficient units to meet the minimum pace and GPA requirements. Once you have met SAP your financial aid may be reinstated.

## SATISFACTORY ACADEMIC PROGRESS APPEALS

Your statement should be concise, however enough detail to explain what the extenuating circumstances were, how they were unforeseeable and beyond your control, and, how they prevented you from meeting SAP. Such circumstances include illness, injury, death in the immediate family, compulsory military duty, or extreme changes in financial and legal circumstances.

Situations not considered extenuating and are **not appeal conditions** are: lack of motivation, difficult work schedule, increased work hours, change in major, difficult courses, difficulty with an instructor, academic overload, participating in extracurricular activities and poor time management.

Your statement should also outline the steps you have taken and plan to take to help you improve and meet SAP in the upcoming semester/term and academic year. Examples include, meeting with an academic advisor, getting tutoring, reducing course load, getting a "clean bill of health", reducing work hours, etc.

You cannot file an appeal with the same circumstance(s) as your previous appeal.

Finally, provide supporting documentation that supports your reason(s) for failing SAP.

If you do not show sufficient evidence that you will be able to meet SAP in the upcoming academic year, your appeal may be denied.

Circumstances	Examples of Documentation
Injury/Illness	Letter from Physician, medical records
Mental/Emotional Stress	Letter from Counselor
Legal Issues	Court Documents, police reports
