UCSF Fresno Medical Education Program

Eyad Almasri, MD
*Department of Pulmonary/Critical Care
and Sleep Medicine*

Loren Alving, MD
Department of Neurology

Justin Lee, MPH
Department of Orthopedic Surgery

Michael Peterson, MD
Department of Internal Medicine

Antonio Toribio, MD
Department of General Medicine

Kent Yamaguchi, MD
Department of Surgery

Fresno City College

Rick Stewart, MS
Department of Biology

45th

ANNUAL

Central California Research Symposium

Call for Abstracts

Abstracts from all areas of study are encouraged

Symposium Date: Wednesday, April 3, 2024
8:00 a.m. – 5:00 p.m.

California State University, Fresno
The Resnick Student Union

Student Deadline: Thursday, February 15, 2024
by 11:59 p.m.

Faculty Approval Deadline: Thursday February 22,
2024 by 11:59 p.m.

DEADLINE: THURSDAY, FEBRUARY 15, 2024

The purpose of the Symposium is to share recent research with community investigators in various fields, college students, and faculty as well as to encourage research activities in the Central Valley. All fields of research will be considered for presentation to exchange further ideas among investigators and the general public.

All individuals, including faculty, residents, graduate and undergraduate students are encouraged to submit abstracts.

All abstracts will be peer reviewed. Comparative analysis, data, and results of completed research or research in advanced stages of completion must be described in the abstract.

Abstracts will be judged by the coordinating committee on the criteria outlined below:

- Scholarly merit appropriate to the discipline
- Creativity
- Timeliness
- Value
- Clarity to an audience of scholars not necessarily from the same discipline.

Abstracts should not contain technical jargon and undefined symbols. The most frequent reason for rejection of proposals is absence of results.

No more than **one** presentation may be made by an individual author. This does not preclude a co-author from making a presentation.

Judges attending each session will recommend undergraduate and graduate students for cash awards.

Abstract Format

Title:
Presentation Type: Oral or Poster
Author(s):
Institution(s):
E-mail Address:

If you are a student presenter, please indicate whether you are an Undergraduate, Master's, or Doctoral Student.

Requirements

Abstract of not more than 300 words.

The body of the abstract should be organized as follows:

- Introduction stating objectives of the study
- Brief summary of methods
- Summary of results
(Note: It is not satisfactory to state "The results will be discussed.")
- Conclusion

Tips

- Do not use technical jargon.
- Proofread your abstracts prior to submitting.
(Note: Abstracts which are selected will be published in the proceedings exactly as typed.)
- The title should be brief but clearly identify the nature of the study.

Abstracts not adhering to these guidelines may not be considered for presentation.

Abstract Writing Workshops

Need assistance writing your abstract?

Visit our website below for workshop dates.

Presentation Guidelines

Authors should indicate their preference for either an oral **OR** a poster presentation.

Twelve-Minute Oral Presentations will be followed by 3 minutes for discussion.

Poster Presentation format details will be provided to authors selected for a poster presentation.

Time and Location of Presentation: Notification of acceptance will specify location and exact time of presentation. Some oral sessions may be interdisciplinary.

Sponsorship Requirement: Authors of papers entered in the student competition must be sponsored by a faculty member. **Your submission will be routed to your faculty mentor for approval. A completed application consists of your abstract submission and your faculty mentor's electronic approval. Only completed applications will be considered.**

Acceptance Policy: In order to participate in sessions, participants must confirm their invitation to present. Presenters who do not confirm will not be scheduled.

Withdrawal Policy: If a first author chooses to withdraw his or her abstract for any reason, a request must be submitted by March 29, 2024.

All abstracts selected for presentation will be published in the Central California Research Symposium Proceedings.

Student awards followed by a social hour will conclude the symposium.

Please submit abstracts online at:
